EXECUTIVE PROFILE

Product design leader with 20 years in design and 14+ years in digital product and UX — strategy, enterprise systems, AI products, DesignOps, and hands-on execution. Nagarro Technology (Staff UX Consultant, Jul 2019 — Feb 2022), RapiPay Fintech (Senior Manager UX, Feb 2022 — Apr 2023), Elevate Innovation (Principal Product Design Consultant, May 2023 — Present). Selected Nagarro client work: Verizon and Crowley Maritime. Builds founder products (EQTY, Growing With Kid, Bolo Buddy, GWK Ghostwriter) with AI-assisted development as a product designer — not an ML engineer.

Elevate Innovation

May 2023 — Present

Principal Product Design Consultant / Product Builder

Independent consulting practice · Delhi NCR · IIAD teaching alongside

Product strategy, UX, AI interaction design, prototyping, and hands-on building. Ventures are live — not claimed as proven commercial scale.

- EQTY (founding design partner): product strategy and experience architecture for a modular fintech operating system.
- Growing With Kid and Bolo Buddy: parenting community and AI audio storytelling products — research, UX, and ongoing experimentation.
- GWK Ghostwriter: AI LinkedIn studio with long-term memory and a research-to-post workflow.

RapiPay Fintech Pvt. Ltd

Feb 2022 — Apr 2023

Senior Manager UX

Employer · Employment · NYE Money

Led the product experience for NYE Money — payments, banking, and investments in one consumer system.

- Led product design for wallet/RuPay, UPI, NCMC, partner banking, digital gold, and mutual funds as one consumer surface.
- Kept security and compliance visible in money journeys while unifying onboarding and trust patterns across squads.
- Documented engagement design for NYE Money as Rapipay's consumer finance product — live on web, iOS, and Android.

Nagarro Technology Pvt. Ltd

Jul 2019 — Feb 2022

Staff UX Consultant

Employer · Enterprise consulting · Selected clients below via Nagarro

Staff consulting across enterprise delivery. Client names are project work through Nagarro — not employment by those companies.

Project years omitted until confirmed.

- Verizon (Nagarro client · IC): turnkey digital-signage architecture and cloud campaign portal without site Wi-Fi dependency.
- Crowley Maritime (Nagarro client · advisory): experience architecture for a guided freight-quote flow (origin ' cargo ' contact); design-system documentation contributed with product partners during the engagement.
